

# SENSORY PLAY WORKSHOPS

DESIGNED TO NURTURE, ENGAGE, AND SUPPORT YOUR LITTLE ONE'S DEVELOPMENT THROUGH THE MAGIC OF PLAY!

## Tiny Explorers (0–12 Months)

Our baby sensory workshops are designed for our youngest participants, supporting early development through gentle, play-based exploration. With sensory, messy, and adventure play, babies explore new textures, sounds, and movements in a safe, nurturing space. Each session encourages communication, motor skills, and curiosity, with a new theme each week.

## Little Movers (12–24 Months)

At this stage, babies are on the move, so our workshops are designed to match their growing curiosity and energy. Through interactive sensory experiences, sessions include movement, messy play, music, fine motor development, and early social interaction. Little ones explore themed setups that build confidence, focus, communication, and creative thinking.

EACH SESSION  
INCLUDES A FREE BARISTA  
MADE COFFEE/TEA OF YOUR  
CHOICE.

## Busy Bees (2 Years – 4 Years)

For inquisitive older toddlers, these workshops offer more complex, imaginative play through hands-on sensory activities, creative play, group interaction, and exploration. Children are encouraged to problem-solve, collaborate, and express themselves, with new weekly themes building independence, friendships, and confidence in a structured environment.
